BASIS OF PREPARATION

NORTH RYDE R S L COMMUNITY CLUB LIMITED financial report is a general-purpose financial report that has been prepared in accordance with Australian Accounting Standards - Simplified Disclosures. This includes compliance with the recognition and measurement requirements of all Australian Accounting Standards, Interpretations and other authoritative pronouncements of the Australian Accounting Standards Board and the disclosure requirements of AASB 1060 General Purpose Financial Statements - Simplified Disclosures for Not-for-Profit Tier 2 Entities.

The financial report of the company was prepared in accordance with Australian Accounting Standards - Simplified Disclosures. The 2022 and financial reports in prior years were prepared in accordance with Australian Accounting Standards - Reduced Disclosure Requirements. The transition from the previous financial reporting framework to Australian Accounting Standards - Simplified Disclosures has not affected NORTH RYDE R S L COMMUNITY CLUB LIMITED's reported financial position, financial performance, and cash flows.

Australian Accounting Standards set out accounting policies that the AASB has concluded would result in financial statements containing relevant and reliable information about transactions, events and conditions. Material accounting policies adopted in the preparation of these financial statements are presented below and have been consistently applied unless stated otherwise.

The financial statements, except for the cash flow information, have been prepared on an accrual basis and are based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities. The amounts presented in the financial statements have been rounded to the nearest dollar.

NOTES TO AND FORMING PART OF THE ACCOUNTS FOR THE YEAR ENDED 31ST DECEMBER, 2025

NOTE 1. SUMMARY OF MATERIAL ACCOUNTING POLICIES (cont.)

b) Principal Activities

The Club operates as a Registered Club.

c) Property, Plant & Equipment

Property, plant and equipment are included at cost or at an independent valuation. All fixed assets, including buildings and capitalised leases, but excluding freehold land, are depreciated over their estimated useful lives commencing from the time the asset is held ready for use.

d) Leases

Leases of property, plant and equipment, where substantially all the risks and benefits incidental to the ownership of these assets, but not legal ownership are transferred to the lessee, are classified as **finance leases**. Finance leases are capitalised recording an asset and liability equal to the present value of the minimum lease payments, including any guaranteed residual value. Lease assets are amortised over their estimated useful lives. Lease payments are allocated between the reduction of the lease liability and the lease charges taken to expense for the period in accordance with AASB 117: Leases.

Other leases are classified as **operating leases**. Minimum lease payments made under operating leases are charged as an expense in equal instalments over the accounting periods covered by the lease term.

Commencing 1st January 2019, a new lease standard (AASB 16: Leases) was introduced. In the past **operating leases**, where substantially all the risks and benefits remained with the lessor, were treated as off-balance sheet transactions, where lease payments are charged as expense in the period in which they occurred, but under the new standard are required to be reported on-balance sheet. The lease cost which is the initial amount of the lease liability at present value plus any direct costs, if applicable, is recognised in the financial accounts as a "right-of-use" asset with an off-setting lease liability. The right-of-use asset is subsequently depreciated over the term of the lease or useful life on a straight-line basis. The lease liability at present value is reduced by the period lease payments made to the lessor, and the interest component of these payments charged to the P&L. Right-of-use assets are reported in property, plant and equipment and lease liabilities in financial liabilities.

NORTH RYDE R S L COMMUNITY CLUB LIMITED has elected not to recognise right-of-use assets and lease liabilities for leases of low-value assets or short-term leases. Lease payments associated with these leases are expensed on a straight-line basis over the lease term.

e) Depreciation and Amortisation

Depreciation is provided on property, plant and equipment but excluding freehold land. Depreciation is calculated on a straight-line basis so as to write off the net cost of each asset over its expected useful life. Freehold land has not been depreciated.

The following rates of depreciation are used at prime cost in the calculation for depreciation:

Bar Equipment	20%	Furniture & Fittings	20%
Bistro	10%	Motor Vehicle	14.3%
Poker Machines	20%	Plant & Equipment	10%

f) Trade and other payables

These amounts represent liabilities for goods and services provided to the club prior to the end of the financial year and which are unpaid. The amounts are unsecured and are usually paid within 30 days of recognition.

g) Maintenance and repairs

The costs of maintenance, repairs and minor renewals are charged as expenses as incurred.

h) Employee Entitlements

(i) *Wages and salaries, annual leave and sick leave*

Liabilities for wages and salaries, annual leave and sick leave are recognised and are measured as the amount unpaid at the reporting date at current pay rates in respect of employees' services up to that date.

(ii) *Long service leave*

A liability for long service leave is recognised for all employees of the club with ten years or more service.

(iii) *Superannuation*

The company pays superannuation entitlements to a nominated superannuation fund for all employees, in line with its legal obligations. Superannuation contributions accumulate for the purpose of providing a lump sum or annuity benefits upon retirement, death or disability. Superannuation is paid at 12% of base salary of employee.

i) Segment Reporting

The business operates in the hospitality, leisure and entertainment industry in Australia.

j) Mutuality Principle

The company calculates its income in accordance with the mutuality principle which excludes from income, any amounts of subscriptions and contributes from members, and payments received from members for particular services provided by the club or association, eg. Poker machines, bar and dining room service in the case of social clubs. The Commissioner of Taxation accepts this method of calculating income as appropriate for recognised clubs and associations.

Following the Full Federal Court decision in *Coleambally Irrigation Mutual Co-operative Limited v FCT* [2004] FCAFC 250, Tax Laws Amendment (2005 Measures No. 6) Bill 2005 was tabled in Parliament on 7 December 2005 to amend the Income Tax Assessment Act 1997 to restore the long-standing benefits of the mutuality principle to those non-profit organisations affected by the Coleambally decision.

These amendments will ensure social clubs continue not to be taxed on receipts from contributions and payments received from members.

k) Goods and Services Tax

Revenues, expenses and assets are recognised net of the amount of Goods and Services Tax (GST), except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances, the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense.

Receivables and payables in the Statement of Financial Position are shown inclusive of GST.

- (b) Complying with Australian Accounting Standards AASB 1060: *General Purpose Financial Statements - Simplified Disclosures for For-Profit and Not-for-Profit Tier 2 Entities* and the *Corporations Regulations 2001*.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section set out under Auditing Standard ASA 700. We are independent of the Company in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the directors of the Company would be in the same terms if given to the directors as at the time of the auditor's report.

INDEPENDENT AUDITOR'S REPORT **TO THE MEMBERS OF** **NORTH RYDE R S L COMMUNITY CLUB LIMITED (continued)**

Other Information

The directors are responsible for the other information. The other information comprises the information contained in the NORTH RYDE R S L COMMUNITY CLUB LIMITED Annual Report (but does not include the financial report and our auditor's report thereon).

Our opinion on the financial report does not cover the other information and accordingly we do not and will not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

Based on the work we have performed on the other information that we obtained prior to the date of this auditor's report, we conclude that there is no material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the directors for the Financial Report

The directors of the Company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards – Simplified Disclosures and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the ability of the Company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Auditor's responsibilities for the audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the registered entity's internal control.
